

Northlake Homeless Coalition FY2018 Continuum of Care (CoC) Application Request for Proposals (RFP) #2018-002

Option 1: Joint Transitional Housing (TH) and Rapid Rehousing Project for Domestic Violence Survivors

Option 2: Rapid Rehousing Project for Domestic Violence Survivors

The Northlake Homeless Coalition invites all eligible organizations (501c3 nonprofit organizations and government entities) to submit a project application for a new project that will serve homeless domestic violence survivors (defined in the HUD NOFA as victims of domestic violence, dating violence and stalking) in one or more parishes in the Florida Parishes Region (Livingston, St. Helena, St. Tammany, Tangipahoa and Washington Parishes) and adhere to the Housing First program model. Eligible organizations consist of 501c3 nonprofit organizations and local and state units of government. Applicants may choose to submit one of two project types for this RFP: Option 1: Joint TH and RRH project; or Option 2: Rapid Rehousing Project.

A total of \$107,154 is being made available for this project, with up to \$9,741 available in administrative funds and the remainder to be spent in other allowable budget categories for the project type. (**Note:** Allowable budget categories for Option 1 are leasing and operating costs to operate transitional housing; short or medium-term rental assistance; supportive services; HMIS; and admin costs in the amount of \$9,741. Allowable budget categories for Option 2 are short or medium-term rental assistance; supportive services; HMIS; and admin casts in the amount of \$9,741.)

If awarded by HUD, this project would fund one project sponsor to serve 6-8 households at any time with rental assistance and supportive services. Clients will receive 3-6 months of rental assistance on average. The new sponsor should be expected to begin summer or fall 2019 if awarded through the HUD competition. Once funded, the project is eligible for annual renewal through the CoC funding competition based on project performance, including program and fiscal compliance.

Application Deadline: All applications must be submitted to the Northlake Homeless Coalition by 12:00 pm on Monday, August 13, 2018. Applications must be submitted electronically to amills@northlakehomeless.org.

I. Funding Requirements

Any organization applying for this funding must agree to the following:

- Adherence to the regulations set forth in the Interim Program Rule (24 CFR Part 578).
- Participation in the Coordinated Access and Assessment System (CAAS), including an MOU agreement outlining the responsibilities of the Continuum of Care and the CoC-funded agencies. Accept clients from the CAAS system, which prioritizes clients based on the VI-SPDAT assessment tool and length of time homeless. Note: clients may present directly at the DV agency for services, but referrals will be made from coordinated entry when a DV survivor identified via the coordinated entry process.
- Current good standing as an NHC member agency or willingness to become an NHC Member Agency and adhere to the NHC Partnership Agreement, which outlines the roles of the CoC and the funded

agency, including the annual agency fee currently set at a rate equal to 2.1% of the total CoC funding awarded to the agency.

- Agreement to serve homeless individuals and families utilizing a low barrier entry Housing First Program model.
- Match Funding (cash or in-kind) for the project in accordance with the Interim Program Rule.
- Provide supportive services to 6-8 households along with ongoing rental assistance for apartments found in the private market.
- Participate in twice monthly navigation meetings to facilitate transition of clients into the program.
- Clients should be rapidly housed in less than 30 days from referral into the program.
- Provide rental assistance and case management services, including assisting clients in obtaining income and mainstream benefits (employment, SSI, Medicaid, and assessment for Medicaid funded services) so that clients can sustain housing on their own or access PSH.
- Be willing to find and inspect housing for participants depending on the client’s preference and the availability of rental units. Rent amounts for the housing units must be rent reasonable.

Adherence with the Housing First Program Model is defined as the following:

1. Clients will not be screened out based on the following:

- Having no or too little income
- Active or history of substance abuse
- Having a criminal record, with the exceptions for state-mandated restrictions
- History of domestic violence (e.g. lack of a protective order, period of separation from an abuser or law enforcement involvement)

- Failure to make progress on a service plan
- Loss of income or failure to improve income
- Being a victim of domestic violence
- Any other activity not covered in a lease agreement
