July 18 2008 at 1:11 P M
INST. # 169 2330 of the official records.
Janet Johnson
DEPUTY CLERK

CHAPTER 9

TRAFFIC REGULATIONS

Section 9.1 Highway regulatory act adopted.

Pursuant to the authority conferred by L.R.S. Title 32:41 (c) the municipality adopts the provisions of L.R.S. Title 32, Chapter 1 (Louisiana Highway Regulatory Act), and all regulations of the state department of highways and the director of public safety adopted pursuant thereto, except for such provisions and regulations as by their nature can have no application, and except as otherwise provided in this code.

Section 9.2 Free flow of traffic; obstruction prohibited.

All persons are prohibited from engaging in driving procedures which obstruct the free flow of traffic in, around, over and through the streets, alleyways and other public ways. Any person is prohibited from stopping his vehicle (except at a stop signal or stop sign, or to honor another driver's right of way, or in an emergency situation) in a manner as to obstruct the free and orderly flow of traffic by the maneuver, or to engage in unduly slow driving procedures so as to obstruct the free flow of traffic or to needlessly "circle the block" or dawdle, or make unnecessarily rapid accelerations and decelerations or to in any other manner constitute a traffic nuisance or hazard.

Section 9.3 Speed limits established.

(a) No person shall operate any motor vehicle or tractor upon any of the streets and highways at a greater speed than is reasonable and proper having regard to the width, traffic, and use thereof, or so as to endanger the property or life or limb of any person.

(b) The speed limits for the streets or portions of streets are hereby established for those streets, or portions of streets listed in appendix 1-A hereby incorporated herein.

Section 9.4 Traffic signals at certain intersections.

Official traffic control signals shall be erected (or if heretofore erected are hereby ratified) at the intersections listed in appendix 1-B hereby incorporated herein. Traffic at designated intersections shall be directed by signals.

Section 9.5 One-way streets established.

Upon those streets and parts of streets and in those alleys listed and described in appendix 1-C hereby incorporated herein, vehicular traffic shall move only in the indicated direction and movement in the opposite direction is prohibited.

Section 9.6 Stop intersections established.

The intersections specified in appendix 1-D hereby incorporated herein, are established as stop intersections, and official stop signs shall be erected (or are hereby confirmed if heretofore erected) in a position as to face traffic approaching the second-named street upon the first named street, in the direction or directions therein indicated. All motor vehicles approaching the intersection upon the first-named street in the direction or directions therein indicated in each case, shall come to a full stop, within a reasonable distance, before entering the intersection.

Section 9.7 Vehicles to be parked within marked spaces.

Whenever a space is marked off on any roadway for the parking of an individual vehicle, every vehicle there parked shall be parked within the lines bounding that space.

Section 9.8 Parking prohibited at all times in certain locations.

It is unlawful for the owner or operator of any motor vehicle or other vehicle to park the vehicle on any recreational area within the Town or in any of the places on the streets and alleys specifically designated by signs stating "No Parking".

Section 9.9 Parking prohibited in certain locations, certain days and hours.

It is unlawful for the owner or operator of any motor vehicle or other vehicle to park the vehicle in any of the places on the days and between hours indicated and specified by signs so designating.

Section 9.10 Parking time limited in certain locations, certain days and hours.

It is unlawful for the owner or operator of any motor vehicle, or other vehicle to park the vehicle or allow the vehicle to remain parked in any of the places on the streets and alleys at any time on the days and between the hours indicated and specified on signs so designating.

Section 9.11 Special purpose parking zones established, parking otherwise prohibited.

It is unlawful for the owner or operator of any motor vehicle, or other vehicle to park the vehicle or allow the vehicle to remain parked in any location on the streets and alleys established and designated as special purpose parking zones indicated and specified on signs so designating.

Section 9.12 Inoperative motor vehicles.

It is unlawful for any inoperative motor vehicle to be left standing on the streets, sidewalks, alleys, or other municipal property for a period of more than 24 hours.

Section 9.13 Approach of emergency vehicle.

Upon the approach of any police or fire department vehicle, or hospital ambulance, giving audible signal by an appropriate device, the driver of every other vehicle shall immediately drive to a position as near as possible and parallel to the right hand side of the street or highway, clear any intersection, and shall stop and remain there, unless otherwise directed by police or traffic officer, until the police or fire department vehicle or hospital ambulance has passed.

Section 9.14 Following and parking too near fire apparatus prohibited.

It is unlawful for the driver of a vehicle, other than one on official business, to follow any fire apparatus traveling in response to a fire alarm, closer than 600 feet, or to drive and/or park the vehicle within the block, or within 300 feet of the place where the fire apparatus has stopped to answer a fire alarm.

Section 9.15 Bicycle operation regulated.

(a) As used in this chapter the term vehicle shall include bicycles, motorbikes, motor scooters, and motorcycles.

(b) The vehicles listed in (a) above shall not be ridden over or upon the sidewalks of this municipality.

(c) Operators of vehicles listed in (a) above shall in all respects comply with existing state laws regarding registration, operation, and safety.

Section 9.16 Blocking access prohibited and subject to tow.

It is unlawful for the driver of a vehicle to block the access of a driveway, alleyway, roadway, sidewalk or recreational area and in addition to punishment imposed for violation of this ordinance, the vehicle will be towed away and the fee for towing shall be the responsibility of the driver or owner who claims the vehicle. Said individual may request an immediate hearing at the police station before the duty officer if the towing fee is contested and a notice to this effect shall be posted on the vehicles windshield.

APPENDIX

Appendix 1 contains traffic regulations and parking requirements that are incorporated by reference in the various sections of Chapter 9 of this code. The appendix includes the following:

- 1-A Speed limits established.
- 1-B Traffic control signals.
